Christine: I no longer have the time to make the meetings. Someone else should be appointed. Joe

Joe,

Your term expires July 30, 2004. According to the attendance record, you have missed all meetings in FY 03/04.

I will be sending out expiration letters (where I will formally ask you) regarding term expiring and interest in being reappointed. These letters are signed by Chairman Sauls - I don't want to make reference to lack of attendance as I will in other letters.

Let me know ASAP.

Thanks

Christine:

Art Cooper and I agree that Bob Hester (formerly of the LCHD) would make a good member of the Council.
